## Penguin Parade

### Chorus

Two little penguins, waddling around,  
Sliding and gliding on icy ground,  
Flapping their wings, oh where will they go?  
Two little penguins in the snow, in the snow!

### Verse 1

Two little penguins, dressed in white,  
With black little heads that shine so bright,  
They wobble and waddle, they slip and slide,  
Dancing together side by side.

### Chorus

Two little penguins, waddling around,  
Sliding and gliding on icy ground,  
Flapping their wings, oh where will they go?  
Two little penguins in the snow, in the snow!

### Verse 2

Two little penguins, eyes so wide,  
Peek through the cold with frosty pride,  
They twirl and spin on frozen waves,  
Like snowball dancers in icy caves.

Two little penguins, eyes so wide,  
Peek through the cold with frosty pride,  
They twirl and spin on frozen waves,  
Like snowball dancers in icy caves.

### Chorus

Two little penguins, waddling around,  
Sliding and gliding on icy ground,  
Flapping their wings, oh where will they go?  
Two little penguins in the snow, in the snow!

### Bridge

Up to the sky, they try to fly,  
Flapping and flapping, oh my, oh my!  
They tumble back down with a giggling sound,  
Bouncing and rolling on snowy ground.

### Final Chorus

Two little penguins, waddling around,  
Sliding and gliding on icy ground,  
Flapping their wings, oh where will they go?  
Two little penguins in the snow, in the snow!

### Ending

Two little penguins, snuggled tight,  
Dreaming of snow through the chilly night.  
Two little penguins, side by side,  
Their frozen adventure filled with pride.
