Hip Hop Hippo

Verse 1

Down by the river, where the water flows,
There's a funny little hippo with a big round nose,
He wiggles and he jiggles, splashes all day,
Dancing to the beat in his own cool way!

Chorus

Hippo, hip hip, hop hop,
Groovin' to the rhythm, never gonna stop,
Hippo, hip hip, hop hop,
Bouncin' and a-movin', let the beat drop!

Verse 2

He's got a funky style and a wobbly walk,
Shakes his belly when he tries to talk,
Spinning in circles, sliding on the grass,
Everybody laughs when they see him dash!

Chorus

Hippo, hip hop, hop hop,
Groovin' to the rhythm, never gonna stop,
Hippo, hip hip, hop hop,
Bouncin' and a-movin', let the beat drop!

Bridge

Big feet stompin', tail goes swish,
Hippo's got moves, you can make a wish,
Wavin' those ears and splashin' the crowd,
Hippo's hip hop makes us laugh out loud!

Chorus

Hippo, hip hip, hop hop,
Groovin' to the rhythm, never gonna stop,
Hippo, hip hip, hop hop,
Bouncin' and a-movin', let the beat drop!

Outro

So if you see that hippo, don't be shy,
Join his funky dance as he bounces by,
Hippo's got swag, and he's got the groove,
Come on little friends, let's bust a move!
