

# **Luna Moon Ray**

## **Cross Zebra**

### **Verse 1**

**Walking down the street, what do I see?  
A zebra with stripes looking at me!  
“Use the crossing,” he says with a grin,  
“Stop and look before you begin!”**

### **Chorus**

**Zebra, zebra, show me the way,  
Stop, look, and listen before I play!  
Left, right, left — I check the street,  
Only when it's safe, I move my feet!**

### **Verse 2**

**The zebra says, “Wait, don't rush ahead,  
Check for cars, look straight ahead!”  
If it's clear, then walk, don't run,  
Crossing safely is how it's done!**

### **Chorus**

**Zebra, zebra, show me the way,  
Stop, look, and listen before I play!  
Left, right, left — I check the street,  
Only when it's safe, I move my feet!**

### **Bridge**

**Hold a hand if you're feeling small,  
Zebra says, “Safety is best of all!”  
Bright stripes help drivers see,  
Cross with care, just like me!**

### **Final Chorus**

**Zebra, zebra, show me the way,  
Stop, look, and listen before I play!  
Left, right, left — I check the street,  
Only when it's safe, I move my feet!**
