

# **Luna Moon Ray**

## **Monkey Business**

### **Verse 1**

**Way up high in the jungle tree,  
Lives a monkey, wild and free!  
Swinging, jumping, having fun,  
From the morning to the sun!**

### **Chorus**

**Monkey, monkey, wild and free,  
Swinging high from tree to tree!  
Bananas here, bananas there,  
Tossing peels up in the air!**

### **Verse 2**

**Steals a hat from a passing man,  
Drops it down, then off she ran!  
Tickles a tiger, makes him sneeze,  
Then she hides up in the leaves!**

### **Chorus**

**Monkey, monkey, wild and free,  
Swinging high from tree to tree!  
Bananas here, bananas there,  
Tossing peels up in the air!**

### **Bridge**

**She flips, she spins, she dances around,  
Making funny monkey sounds!  
It's all just monkey business here,  
Mischievous, giggles, and jungle cheer!  
But when the sun begins to set,  
She cuddles up, no more mischief yet!**

### **Chorus**

**Monkey, monkey, wild and free,  
Swinging high from tree to tree!  
Bananas here, bananas there,  
Tossing peels up in the air!**

### **Outro**

**Sleepy monkey, eyes so tight,  
Dreams of mischief in the night!  
Tomorrow's fun is on its way,  
More banana games to play!**
